Department of the Navy
Washington 25, D. C.

Dear Admiral Manning:

Your letter of 2 February 1949, pertaining to the provision of CIA lecturers for the two Yards and Docks Seminars to be held in the near future, has been noted.

We would prefer that your programs merely note "Representation of Central Intelligence" rather than the name, title, and position of the individuals who will give the lectures. We will certainly provide you with speakers who are key personnel but it is not practicable to give you the names at this time.

The speakers will not require a motion picture projector or other aid for the presentations.

With best personal regards, I am,

Sincerely,

F. H. HILLERD ETTER
Rear Admiral, USN
Director of Central Intelligence
